

## **So what's so special about Tukae?**

When someone becomes a supporter of Tukae they become a part of Tukae. There are many large nationally renowned charities working in Africa. However supporters of Tukae receive detailed feedback direct from the Operations Director, Stephen Valentine and his wife Pia, giving detailed information how their money is being spent, how it is benefitting people at Emau Hill and improving their lives. You will hear about the lives of the staff Tukae employs, and how their employment is changing their lives. You will share in their successes and inevitably the occasional setback. You will become an important part of their lives and be able to see the positive effect you will be having on their futures, as well as the futures of the families they support. You will see photos of the staff as well as the work being carried out by Tukae at Emau Hill. This is what sets Tukae apart from many other charities. You do not give your money to charity on the hope and assumption it will do some good somewhere . By being a valued member of Tukae you become a part of Tukae and will be able to follow its progress and development, and share in the lives of the people you are helping.

Emau Hill Forest Camp is an important part of what Tukae does. Supporters therefore have the opportunity to visit Emau Hill where they will enjoy the peace, beauty and tranquillity of the East Usumbara Mountains, one of the most beautiful areas in East Africa. Visitors will enjoy the excellent facilities and outstanding food, and of course meet and get to know the local people, including the staff of Tukae at Emau Hill, the very people you are supporting through your generosity.

If you would like to visit Emau Hill please get in touch with one of the Trustees, all of whom have been to Emau Hill, and who will answer your questions and offer advice.
